Rules Governing Traveling Gavel
Revised 05/04/96
Revised 02/04/12
Updated 09/17/16

The "Traveling Gavel" must be delivered to another Wisconsin subordinate Lodge within its District by a minimum of the following members:

-Lodge Membership 99 & under:
two (2) Lodge members, of which one (1) Should be a current Lodge Officer
-Lodge Membership 100 & over:
three (3) Lodge members, of which one (1) Should be a current Lodge Officer

A Lodge is encouraged to deliver the "Traveling Gavel" to a Lodge, within their District, that has not received the "Travel Gavel" within the prior six (6) months. It cannot be returned to the same Lodge from which it was received.

A Lodge has sixty (60) days in which to deliver the "Traveling Gavel" once it has been received. It may be delivered during a regularly scheduled meeting of the receiving Lodge, or at any special function that the Lodge has scheduled including DD visits, State President Visits, member social activities, etc.

If a Lodge holding the "Traveling Gavel" does not deliver the "Traveling Gavel" within sixty (60) days, it will be fined one American dollar ($1.00) per day, from the day it was received, until it is delivered to another Lodge. The "Traveling Gavel" may also be retrieved by another Lodge after sixty (6) days, including by the Lodge that delivered the "Traveling Gavel." If a Lodge elects to retrieve the "Traveling Gavel", at least three (3) Lodge members must present themselves to the Lodge holding the "Traveling Gavel". If two (2) or more Lodges are present to retrieve the "Traveling Gavel", the Lodge with the most members in attendance will receive the "Traveling Gavel". If two (2) or more lodges have the same number of attending members, the Lodge traveling the furthest distance from lodge to lodge will receive the "Traveling Gavel".

The fine will be credited to the receiving Lodge and made payable to the "Wisconsin Elks' Benevolent Fund". If the District Vice President or District Deputy to the Grand Exalted Ruler has to retrieve the "Travel Gavel" from a Lodge, a fine of no less than one hundred dollars ($100.00) and no more than two hundred fifty dollars ($250.00), decided by the VP and/or DDGER, will be charged to the holding Lodge and credited in the name of the new receiving Lodge.

It is recommended that the 'Traveling Gavel" not be delivered at a Lodge function that is open to the public, nor can the "Traveling Gavel" be delivered or picked up at District Deputy Clinics, District Meetings, State Conferences or Conventions, or any other state functions such as bowling, golf, curling, trap shoot, ball games, etc.

The "Traveling Gavel" is to be accompanies by a card, which will remain with the "Traveling Gavel", stating to which Lodge the "Traveling Gavel" was delivered, the date of delivery, and the delivering Lodge. When a Lodge delivers the "Traveling Gavel" to another Lodge, the Lodge Secretary should notify the Vice President of the District that the "Traveling Gavel" has moved. The State Lodge Activities Committee will act as watchdog for the "Traveling Gavel"'

The Lodge that receives the "Traveling Gavel" is encouraged to display the "Traveling Gavel" for its members, but it is requested that Lodges do not use the "Traveling Gavel" in their regular meetings. The "Traveling Gavel" is a symbol of Brotherhood among Lodges in each District and should be treated accordingly.

COMMITTEE REPORT

Please turn all copies in to the State Secretary at General Session

Date: Saturday, September 17, 2016

Time: 9:00 A.M.

Committee Name: Major Project.

Meeting was opened by Ray Dabler, Chairman with a prayer, the Pledge and a moment of silence for Arnie Beimborn a long time member and secretary of our committee.. The Secretary's report by Leah Kostuck was approved as published. The Treasurer's report was given by Cindy Whalen and was approved as presented.

Ray Dabler reported that the two dining room additions were complete and air conditioners were installed. We will be getting bids for our final phase on the dining room additions and bathroom remodeling.

Paul O'Brion read the proposed annual donation letter to be sent to members in early November requesting donations in lieu of the raffles we can no longer mail. A discussion followed on the content and with a few changes the letter was approved. In February the committee will decide if we will hold a raffle at the State Convention and what it will be.

Kristi Barbian was excused from the meeting but told Ray that she is working on campers for next year and if anyone knows of someone who would like to go to camp they should contact her..

Bob Yost gave a report on our Poster Children and all are doing well.

Old Business:

The Eagle cabin roof was replaced with metal for a cost of $5,123.00. This will be paid for with the $5,083.00 that was donated to the Major Project by the Ladies of Wisconsin Rapids Lodge.

New Business:

The $75 placemat sponsorship for the Camp Wawbeek pancake breakfast on Sunday, October 2nd was approved.

Next year Elks day at camp will be Saturday June 24th which will be the 25th anniversary of Elks/Easter Seals Respite. Easter Seals will invite community members, past employees and others in addition to the Elks.

Good of the Order:

Roman's tabs which we have been collecting from the Lodges for ten years were taken in to the recycle center by Roman baca, Ray Dabler, Chuck Berens and Rick Gesicki. We had 2,880 pounds and received $1,113.20 for the Major Project.

Meeting was adjourned and the Board of Directors was to meet in 10 minutes.

Respectively submitted

1. Reviewed the Legacy Scholarship Program

2. Reviewed the Emergency Grant Program

3. National has introduced a new MVS Program. Applications will now be filed electronically. Hard copy of the applications are eliminated. Lodge chairs need to stay on top of the changes for the new program.

Many questions arose at the meeting. Some were answered, some need more applications. I will contact Chicago with questions and relay responses to each Lodge chairman. Judging rules and procedures are being developed as we meet. They should be done by the end of October.

The Scholarship Committee is a hard working team and I am humbly proud to be their chairman. Without this team, our scholarship program wouldn't be as successful.

Date September 17, 2016

Time 10:00 AM

Committee Name Officer's Training

Meeting opened with the Pledge of Allegiance with 9 people in attendance 3 members and 6 guests, 3 members were excused. 11 Members were absent. Those in attendance weren't really sure what this committiee was about, but wanted to gain a better knowledge of what their duties were as Officers of their Lodge, and specifically thier Offices. We discussed the importance of each officer having their own copy of the following Grand Lodge Manuals: Annotated Statutes, Exalted Ruler, Lodge Officers and Committee Member Manual, Manual on Protocol and the current Grand Lodge Program. We did touch briefly on the each Officer's Specific duties in the Lodge. There was a very lively and active quesion and answer session with alot of good information shared. the meeting closed at 10:57 am

For the most part, people aren't sure what this meeting is really about or who should be attending.

Stat President Radig and PSP Advisor, Ron Shannon and I have discussed restructuring this committee, perhaps changing it from a Committee Meetign to an Advisory Session for the Lecturing Kinghts and Loyal Knights with the goal to endcourage more of those Offiers to attend the Conferences and Covention as well as all District meetings. as this will help them prepare more fully for their year as Exalted Ruler. We are in the process of updating the current Officer Trainng Manual and hope to have it completed by Mid-Winter Conference. There are also plans to bring back the yearly Officer Training exams.
