

Dear President Sam & Members -

We want to thank you all for the amazing time we had on our Wisconsin visit. The

Jambean field tour was awesome. I can't imagine how loud it would be when the "Pack" scores a goal with 80,000 people!

The goodies in our room and all the gifts were awesome.

We will use the ~~afghan~~ <sup>afghan</sup> ~~blanket~~ <sup>blanket</sup> on the cold winter nights.

Mike loves his signer Packers shirt. I loved being on his back!! Our handmade pens are gorgeous and will be used

lots this year & years to come.

Thanks again, Mike & Barb
