Dear Wisconsin Elks Members:

PGER Sulsburger was at the Spring conference with me in February. It is always a pleasure to spend time with PGER Sulsberger and Past First Lady Beth. We had a chance to gather in my room, along with my Sponsor, PGER Rumney and Past First Lady Sandy, and my first lady Stacey.

PGER Sulsburger presented me with a fantastic and generous donation from the Wisconsin State Elks Association. This gift was completely unexpected and rewarding for my sponsor and myself. True benevolence and charity went into that donation and the fact that it came from an area 5 state made it even more gratifying.

I would really enjoy it if Wisconsin would be willing to participate in the celebration after the nomination is over on Monday morning of the general session. The person that is in charge of the celebration for me is Herman Wisneski, also known as Santa Claus. He will be sending an invitation to your state president prior to the convention and I would be honored if each and every one of you took part in making this a loud and proud event for area 5.

Please make sure to purchase a campaign pin from someone. This will also allow you to come to the celebration on Monday evening where there will be drinks and some appetizers.

Again, Thank you so much for the contribution to my Going Grand Fund. It was truly overwhelming to receive it and I will make sure that it goes to good use.

A handwritten signature in black ink that reads "Paul R. Ryan".
