BIOGRAPHY OF
PAUL R. RYAN
GRAND EXALTED RULER
2020-2021

Benevolent and Protective Order of Elks of the U.S.A.

Paul R. Ryan was born in Elgin, IL but moved to Minnesota as an infant. Over the years he has resided in Redwood Falls, Spicer, and New London, his current home. Paul graduated from New London-Spicer High School and attended Southwest Minnesota State University, earning a Bachelor of Science degree with a business management emphasis.

Paul has been a dedicated Member of our Fraternal Order since 2004, when he joined Willmar, MN Lodge No. 952. He served on the Board of Directors for 11 years and was chairman from 2009 to 2018. He served as Esteemed Leading Knight on three different occasions in 2010, 2017, and 2018, and served as Exalted Ruler in 2011. He received the Dedicated Service Award in 2009 and was named Officer of the Year in 2010. He received the Exalted Ruler Appreciation Award for Outstanding Service and Dedication in 2017 and 2018. He earned All State American Ritual honors for Leading Knight, helping his Lodge win the Minnesota State Ritual contest. He participated in the National Ritual contest at the Grand Lodge Convention in 2011.

Paul has also been on his Lodge's Penny-A-Day program committee and was chairman from 2017 to 2019. Until being installed as GER, Paul served as his Lodge's chairman of the PER committee and served the Minnesota Elks State Association on the Laws and Resolutions committee. He has served on his Lodge's Hoop Shoot committee, and for the last few years was its chairman.

Paul has been distinguished by his Lodge as an "Honorary Lifetime Member." He was installed by his State Sponsor Dwayne E. Rumney for his first term as District Deputy in 2012 when the current District Deputy could not fulfill the term. He finished that year under Grand Exalted Ruler

Thomas Brazier and was installed into a second term by GER Millard Pickering. In 2015, Paul's sponsor approached him about being nominated to the Board of Grand Trustees. It was an honor that brought him to his current position.

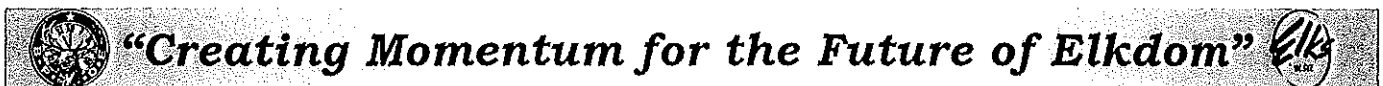

Paul has taken a vested interest in many aspects of the organization. He participated on a national ritual team and in the national ritual contest. He also won the state contest (before it became a national contest) with his rendition of the 11 O'Clock Toast. He has taken part in many *Disabled American Veterans* deer and turkey hunts.

Paul has been a Realtor for 25 years. He assisted with running his father's company until recently, when he purchased it from his father. He participated as a member of his community's version of a chamber of commerce, where he was in charge of the city's community celebration. For many years he also served as the group's treasurer and president.

Paul has sat on many committees for the local Realtor Association and was a chair of one of those committees. He joined the local board of directors, serving intermittently over 17 years, and was the president of the local Association of Realtors for a year. After his stint as president he served on his state's Realtor Association for two terms, but then decided to focus his efforts on the Elks.

Paul and his wife Stacey have been friends since 1987. Paul, Stacey, and her son Jordan became a family in 2003. They have since been blessed with two more children, Cassaundra (16) and Jackson (13).

Paul enjoys many pastimes, including golf, ice fishing, and boating. He loves nearly all film genres. Stacey and Paul share a passion of football and they support the Minnesota Vikings.

THE FALL CONFERENCE HAS BEEN CANCELLED

The W.E.A. Board of Directors hoped that the situation would improve, but restrictions on travel and CDC's recommendations to avoid congregating in large groups meant that proceeding with the conference as planned would be both irresponsible and impractical. The health and safety of our membership and the population at large is of the utmost importance.

As everyone is aware, the COVID 19 pandemic has certainly impacted all of our lives over the past several months, and will most likely continue to until a vaccination is available and widely distributed.

More local businesses and restaurants are reopening, but often with new restrictions including reduced capacities, social distancing, mask wearing, etc. This is a great time for all of us to demonstrate our flexibility and adaptability to change. So often, I hear people talking about wanting to get back to "normal", or even "the new normal". I would like to encourage everyone to live in the present and focus on what I've heard referenced as the "Now Normal" we are all living in. I think it's quite unrealistic to expect that everything will return to what it was prior to the pandemic.

Certain precautionary measures may become common practices. Will Plexiglas panels installed in many retail stores ever be removed? Will the increased cleaning and sanitization practices adopted now ever be completely abandoned? Should all of us expect to be utilizing more technology in the future for meetings and training events such as Zoom, WebEx, and Microsoft Teams just to name a few?

Rather than reflecting on the past and how we used to do things, or dreaming about how we wish things were, now is the time to embrace living in the present and making the most of our situation.

Refusing to accept this and not adapting to the "Now Normal" will most certainly be counterproductive, so make the most of it and consider it a great learning experience.

COVID is certainly not gone, and there are more new cases throughout the state every day. Health experts predict a likely resurgence in the fall or winter months. Now is NOT the time to let your guard down. Remain vigilant in your precautionary measures such as social distancing, proper handwashing techniques, and avoiding going to work when ill.

A decision on the Mid-Winter Conference will be made by the Board at a later time.

STATE PRESIDENT'S MESSAGE

To Our Elk Family:

Here we are as we approach fall. While things are open we still have not conquered Covid.

Our Fall Conference was postponed and some official Lodge visits have been cancelled. This does challenge us as Elks, but we need to continue to reach out to our Lodge Elks and our communities. Many of you have noticed Kathy and I have been traveling to Lodges to support them. It might be for a meal, meeting or a Lodge function. While there we have been able to engage with Lodge friends and see what their Lodge is currently doing. It sure has been fun to visit. I have also been traveling to some sites that our Wisconsin Elks support such as Camp Wawbeek and some of our Veteran sites. I have been posting my site visits on the Wisconsin Elks Facebook site. Why post these some might ask? I like to take pictures and show Elks what is out there that many have not had an opportunity to see. The more we know about what Wisconsin Elks and National Elks do, the more we can spread the word so others can appreciate our great organization. I plan to continue to do this and share as much as I can.

How can we reach out to our communities? The best way to do that is take advantage of the free money that is available to all Lodges. There are ENF grants such as the Gratitude, Spotlight and Beacon Grants. The Freedom Grant is closed and the Promise Grant will probably be closed by the time of this issue. There is state money from some of our state committees, including Youth Committee and Committee for the Disabled. There is the Wisconsin Free Money (Wisconsin Grant) which could bring at least \$300 or more to your Lodge by following the requirements by the December date.

Membership is so critical. It was sad to see that as of the last Membership Report that I received we have 1,100 members who still had not paid dues; with a few over 100. We can't let these members slip away; Lodges need to get out and contact them in person or phone. Sending out notices is not working. Tell them how important they are in helping to support

our youth, veterans and communities. That 1,100 does not include some that we will lose to death. I love seeing Lodges bring in new members. I have asked many of the Lodges to give me their name and phone number so I might, as President, welcome them to the Elk family.

We need to support our State and National programs. Our State Major Project is the Elks Respite Center at Camp Wawbeek. As we walked around the camp in July it was sad not seeing campers enjoying the camp experience. Individuals and Lodges make contributions to our Major Project. Lodges contact Bob Bohnsack or myself to get State Major Project pins. Our Wisconsin Benevolent Fund provides one third of our total budget. We need to support this fund. I have set a goal of \$3.65. The ENF supports two thirds of our budget. Our new Grand has set a goal of \$4.80. Without this money we have no state programs. Don Behnke would like us to reach \$10 per member per Lodge. That will bring Wisconsin more money. Contact your Lodge Secretary to find out how to contribute to these three programs.

Kathy and I look forward to coming to Lodges, either as an official or unofficial visit. Continue to be strong, continue to be safe and continue to be healthy. God Bless you all.

Faternally,

Jerry

CHAPLAIN'S MESSAGE

And He Was Called the friend of God.

James 2: 23

Many organizations today fail to tap into their potential. Why? Because the only reward they give their employees is a paycheck. The relationship between employer and employee never seems to develop beyond that point. Successful organizations take a different approach. In exchange for the work a person gives, they receive not only a paycheck, but they are nurtured by the people they work for. Nurturing has the ability to transform a person's life.

Consider this acronym: BEST

People want the leadership to:

Believe in them

Encourage them

Share with them

Trust them

Nurturing benefits everyone. It seems to make sense that people will feel more secure and motivated when their leaders believe, encourage, share, and trust them (BEST). People are more productive when they are nurtured, more importantly, nurturing creates a strong emotional and professional foundation within the people who have leadership potential.

We are experiencing some radical changes to our social structure in our nation, and our lodges. It is up to our existing lodge leadership to reach out to the membership, share their expectations and concerns. This simple act of communication encourages our members and increases the trust in their chosen leaders.

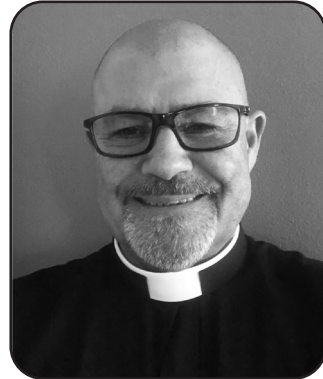

With God's help we will persevere through this viral pandemic, and thrive. Stay safe!
God loves you and so do I!

Blessings,

Rev. Mike

Reverend Mike Hackbarth, Chaplain

Wisconsin Elks Association

I would like to introduce myself as your District Deputy Grand Exalted Ruler (DDGER) for the year 2020-2021 just in case you missed me last year on the lodge district visits as you esquire last year.

Since we didn't have a Grand Lodge this year this is the only picture I could muster up.

My history has been ER 2015-2016, 2017-2018, Officer of the year 2012-2013, 2014-2015. Esquire DDGER 2019-2020. If health and my wife permitting, I will continue to further my efforts to the Elks.

I'm married to my lovely wife Michele for 25 years and have two children Joe who is 30 and Ricky who is 23.

I hope to have a good year. Our Central District is very strong. That is because of all your hard work and commitment to Elk dome. I hope to maintain and keep the Central District strong.

There is still some uncertainty with Coved-19. We have been directed to move forward with Clinics and visits. I'm not sure if that will change today, tomorrow, next week, next month, or never. We have our Summer clinic scheduled for August 22nd. I hope to see as many people there that can make it. I do understand the health issues and we will also try to facilitate a virtual clinic.

I will not be trying to re-invent the wheel this wheel. Everything went smooth with Jackie and I want to continue with that direction. I must thank Jackie and Don Behnke and Aaron for their previous commitment as DDGER.

I'm Looking forward to my new position and will do everything within my power to help you out on whatever you need help on. All you need to do is reach out to me. Here is all my contact information:

David DeCono, W5916 E. Clymet Road, Watertown, Wi, 53098, Home 920-696-3825, Work 920-696-3000, Mobile 920-248-9504, E-Mail david.decono@donaldson.com

Looking Forward to a good year. Fraternally Yours David A. DeCono DDGER

VICE-PRESIDENT'S REPORTS

NORTHWEST DISTRICT

GREG MAZUR, V.P.

Greetings from the Northwest District! As I have recently been honored to serve as VP, I would like to make a very brief introduction. I joined the Chippewa Falls Elks Lodge in 2003, shortly after moving back to my home state of Wisconsin. I am honored to carry an ER tradition in my family by being a 3rd-generation PER. I have worn many hats in my time with the Elks, and my wife Stacey and I have been very fulfilled in serving our community with the best organization an American citizen can possibly serve in!

Like everywhere else, our district has had to alter the way we do things to still remain vibrant. I could not be more proud of the effort our Lodges have made to stay in communication with their members while so many events were curtailed and cancelled. Through great persistence, Northwest Lodges were still able to hold Flag Day ceremonies to the greatest extent that they could. As dining was able to open again, we have taken great measures to ensure the safety of our members and their guests. And very importantly, we have continued to recruit new members and hold initiations in the same safe manner.

Be safe and healthy so that we can celebrate life to the fullest when our next Conference is held. Stacey and I look forward to seeing you then!

SOUTH DISTRICT

PAT MORAN, V.P.

Hello everyone. I hope this article finds you all in good health. This virus has had a big affect on all of us and our Lodges and I hope that everyone is doing well. It's been a long, hot summer.

Recently , State ENF Chairman Don Behnke has asked me to be the ENF Chairman for the South District and I have agreed to do this. It's great to see that two Lodges in this District , Janesville and Waukesha , have already exceeded their ENF goals for the year and we congratulate them for their work. Other Lodges here are working on programs to make their goals as well. I urge all Lodges in the State to evaluate where you are in achieving your Lodge goals for the year so once again the State can continue to make 100% with all 29 Lodges. We have done this for a few years in a row and even though this is a tough year , please do your best.

CENTRAL DISTRICT

MIKE MEYER, V.P.

VICE-PRESIDENT'S REPORTS

Baraboo #688 - Rick Miller

First physical Lodge meeting was June 2nd and the BOD approved budget was presented to the floor for approval and passed.

The City of Baraboo cancelled the normal Flag Day ceremony in the downtown park, but they held their own at the Lodge. They are planning a rummage/garage sale on July 23, 24th, and 25th to replace funds lost because of cancelled fundraisers.

They are following all state and county health recommendations in regards to capacity, distancing, and sanitizing.

Beaver Dam, #1540 - Rob Radig, P.S.P.

First physical Lodge meeting was June 2nd and the BOD approved budget was presented to the floor for approval and passed. Since they do not have a building, no issues with food service and have plans in action to sanitize meeting materials and jewels after meeting.

They used their spotlight grant by distributing Welcome Home packages to three homeless Veterans that moved into stable living environments and have helped three more in the last few weeks with other monies. They will be using the remaining funds to help other Veterans, bringing the total Veterans helped to nine. They used the Gratitude Grand of \$3,000 by donating it to the local homeless shelter.

They have scheduled five Brat Fry's this summer as fundraisers.

They initiated one new member in June.

Neenah-Menasha #676 - Ian Schiesl

First physical meeting was 5-27. The BOD presented the budget to the Lodge floor in June and it was approved.

They will not be serving any communal food but will have small bags of snacks available for sale. They are following all state and county health recommendations in regards to capacity, distancing, and sanitizing.

They didn't have any grant information to share with us at this time, but are checking into it.

They held a Flag Day ceremony on June 12th for just Lodge members.

They are only open on Fridays, so the shutdown has not been a huge financial impact for them.

Oshkosh #292 - Sam Demmin P.S.P.

At the June 3rd meeting, nominations and elections were held for ER, Leading and Lecturing Knight and 5-year Trustee positions. P.S.P. Sam Demmin was elected as ER. All positions are now filled. They had a virtual meeting on June 3rd, and first physical meeting June 15th. The BOD presented the budget to the Lodge at the June 3rd meeting and it was passed.

They rearranged the dining room into the Lodge room and opened up that area to allow for distancing in the bar area. They opened the Lodge/Club on Friday June 12th following all state and county health guidelines.

They received the Freedom Grant and will be helping out 20 Veteran families that are struggling financially with \$100 grocery cards and a \$25 gift card for Kwik Trip.

For Flag Day, they released a video from last year that will be on the Lodge Website and Facebook for the members to view. I watched it myself and it was very well done.

Plans are going forward for their Annual Chicken BBQ and Gun Raffle on Aug 23rd, which is their major fundraiser for the year. The new chef has an excellent background in food service and cost analysis-they should see a great improvement in inventory and COGS.

Portage #675 - Kevin Randall

Their meetings have been physical starting in June; they held Initiation for six new members on June 9th, a special Initiation for one new member on June 20th, a transfer in and one more in the wings.

They are back to normal hours and are following all state and county health recommendations in regards to capacity, distancing, and sanitizing.

They held their Flag Day service outside with spaced out chairs etc. on June 14th.

Their Burger/Brat Fry on Thursdays are back in full force with great attendance as take-out and also some limited seating. They are resuming their twice a month Friday Fish Fries.

VICE-PRESIDENT'S REPORTS

The Building Committee met and have a list of projects in order of priority and will be presenting it to the Board.

Their State President visit on June 20th was cancelled.

Sheboygan #299 - Tim Cook

First physical Lodge meeting was June 2nd and the BOD approved budget was presented to the floor for approval and passed.

They are back to normal hours and are following all state and county health recommendations in regards to capacity, distancing, and sanitizing. They have resumed their Wednesday and Friday night member dinners following all the rules and it has been well received.

They postponed their Flag Day Ceremony until July 12th so that the BSA could participate.

They used the \$3,000 Gratitude Grant and donated to four local charities. They partnered up with the local Culvers franchise to distribute three hundred \$15 gift cards to the local Police, Fire Department, and the County Sheriff.

The ER had bilateral knee replacement in June and is back at the helm already.

Watertown #666 - Patrick McCarthy

Their last zoom meeting was concurrent with the Lodge and BOD meetings on June 24th. Going forward the meetings will be physical. They Initiated their first new member of the year on June 23rd.

The budget has been passed but needs minor adjustments due to the FRS coding.

They have slowly reopened and are following all state and county guidelines.

They are not serving food yet but are considering it for Thursdays and events.

The glitch has been resolved for their grant program and they have applied for all that are applicable.

They held their Flag Day Program on June 14th with 39 in attendance and also it was live-streamed on Facebook to the membership via the Watertown Elks Facebook page.

They held their Annual Elks Fishing event at a member's home following all rules;

they had 53 in attendance and eight scouts earned their merit badge for fishing. They had their three Lake Michigan fishing outings and they were a success.

Plans are in the works for their Elks picnic and Golf Outings.

FIRST LADY'S MESSAGE

Greetings, Fellow Elks. I hope all of you are safe and enjoying the summer days as best you can. Jerry & I have enjoyed traveling to a few of the Lodges that are open and holding brat frys or fish fries. It is good to casually meet other Elks with the safety of distancing & mask wearing. With so many events being canceled this is one way we can still support your Lodges. We enjoy seeing the events you hold to support community projects. Every Lodge has their own unique events. It's very inspiring to see what you do. Keep up the good work, and we will try to see you at your Lodge soon.

DISTRICT DEPUTY NORTHEAST DISTRICT'S MESSAGE

Hello. My name is Nathalie Kramer. I am currently the District Deputy of the Northeast District. I have been a member of the Kaukauna Elks Lodge #962 for nine years; three of them serving as the Exalted Ruler. It is my honor to be serving over this district for the year, be it a very strange and different one. Here's to a great year!

CHARITABLE

LODGE GRANT APPLICATION 2020-2021

DEADLINE FOR APPLICATION 12/31/2020– NO EXCEPTIONS

*To be considered charitable, the monies generally have to be given to a 501c(3) organization, such as the United Way or the Wisconsin Elks Major Project (the organization can supply you with their IRS determination letter if they truly are a 501c(3)); youth groups such as scouting, boys and girls clubs, youth athletic leagues; not for profit schools; churches, etc. The IRS regulations say that gifts to individuals, no matter how needy, are not charitable unless the name is received from a specific government agency or a 501c(3) organization. (The lodge itself can spend the money, if the names of the people that it services are received from a governmental or 501c(3) organization, and only those people are the ones benefiting.)

*To qualify as educational, the money has to go to the school, in the name of the school and the individual. (This ensures that the monies are spent on tuition and not on personal expenses.)

The list above is not a complete list and there are many types of activities and events that may be eligible but have not been listed, please contact Jeff Langton, Treasurer of the Wisconsin Elks Association, should you have any questions on what programs might be eligible.

(We apologize for the stringent controls in place, but we are holding these funds in trust, and we have to make sure that the funds are spent for the purpose for which they were originally donated.)

I understand that it is solely up to the discretion of the Wisconsin Elks Trustees to determine if a program is eligible for reimbursement. Further, we have not received any reimbursement for these programs from any other source, including other Wisconsin Elks Association committees, nor from our general membership, unless noted above.

Submit to the State Secretary no later than December 31, 2020.
