

THE SPRING 2021 BUGLE

WI ELKS VIRTUAL CONVENTION MAY 1, 2021 • 1–4 P.M.

The 2021 Convention will be a virtual convention. We have hired a firm in Waukesha to administer and run this convention. It will be a General Session with the main goals of approving a budget, nominations, and election of officers. This will be a first ever for the W.E.A., so we are working on this to make it as good as possible. More information will be posted on the website and Facebook as it becomes available.

On April 30, once your registration is approved, you will receive a link to view the convention in an email (to the email address you have entered on your registration form). Here is the link to register, you can also find this link on our website or on our Facebook page.

STATE PRESIDENT'S MESSAGE

Greetings to all,

I know everyone wants this year to pass and bring back the things we enjoy. This of course is our Spring Convention. By now everyone knows we are going to do something never attempted in the history of the Wisconsin Elks. Our Convention will be a virtual one to pass the budget and elect new officers for the upcoming year. While I know there are some saying, "Why not hold an in-person convention and those that don't feel comfortable do not need to attend?" This was not the solution we needed to reach out to all our members in a safe way. Through the efforts of Ken Johnson, a company was found to guide us through the process to make this a successful venture. Be patient and again know this was not the way we hoped but was done for the health and safety of our members.

Your Lodges and members continue to amaze me. You found ways to continue to reach out to your communities. You contributed to food drives, helped veterans, found ways to engage our youth, supported Scouts in your clubs, etc. The list is endless. You supported our charities. I challenged our Lodges to support a Virtual ER March and you responded. Donations came in and were posted for the Wisconsin Benevolent Fund and our State Major Project. You sent hundreds of scholarships to be judged. You opened your Lodges to drive-through events to not only support your Club facility but to offer a safe food option for others. Contributions came in for the Elks National Foundation. You used the foundation to give back to your community over \$251,000 in grants which I believe is the highest in our state history. While we lost many members to death and nonpayment of dues, we still initiated new members. I know because I called over one hundred new members to welcome them to our Elk Family as your State President. We only had three State President Visits this Elk Year, but I still was able to visit Lodges to support them. I wanted Lodges to know we are still backing them despite an unusual year. By the time we hold our Virtual Convention, we should know how our six State Hoop Shoot Winners finished. They were our champions from last year who did not get a chance to move to Regional or Finals. Grand Lodge gave them an opportunity to finish the contest. I hope to report we have six National Champions.

Wisconsin Elks we can do this. We can and will move past Covid to the best of our abilities. Be patient though as that becomes possible. Look out to all your members and let them know they are not alone. My wish is that you all will be safe and healthy. Continue to provide "A Vision for Youth, Veterans, and Community." God Bless All of You.

Fraternally,

Jerry

SPONSOR'S MESSAGE

Greetings everyone -

I would like to begin by saying how much Beth and I have missed being with all of you this past year. The Covid-19 Pandemic changed life as we knew it and so many of our events were cancelled. We know that not having any State meetings since February of 2020 and of course no Grand Lodge Convention last summer has been difficult for all of you too. Despite not being able to hold these events, you have stepped up to the plate in continuing the good works of the Order that we all love and hold so dear. I commend State President Jerry Brien and his officers for what they have done this past year during this unprecedented time. I am pleased to say that Jerry and Kathy have agreed to serve the Wisconsin Elks Association as State President and First Lady for an additional year, 2021-2022. We know their sacrifice is appreciated by all the members.

I would also like to take this opportunity to report that our District Deputies and Esquires have agreed to serve an additional year as well. Thank you all for your dedication and commitment to our Order.

I am happy to say that the National Convention will be held in July in Tampa, Florida. While there will be changes to several things due to pandemic protocol, it will be great to have a Convention and be together again. I appreciate all those going to abide by these changes so that we can have a safe Convention.

Beth and I look forward to seeing you in Tampa! Until then, stay safe and healthy!

God Bless you all,

CHAPLAIN'S MESSAGE

*Then Abram gave a tenth of everything.
Genesis 14: 20 (NIV)*

Nothing speaks to others more loudly than generosity from a leader. True generosity is not an occasional event, it comes from the heart and permeates every aspect of a leaders' life. This "quality construct" touches their *time, talent, money, and possessions*. Effective leaders, the kind people want to follow, do not gather things for themselves; they "gather" in order to give to others.

To cultivate the quality of generosity in our life, we should focus on the following:

1. Be grateful to God for *what* you have.
2. Put people first.
3. Do not allow the desire for possessions to control you.
4. View money as a resource.
5. Develop the habit of giving.

The only way to maintain an attitude of generosity is to make it a habit to give – time, talent, attention, money, and other resources. Yes, I know I'm "preaching to the choir." The motto *Elks Care – Elks Share* identifies every Elk as a leader in their community that willingly exhibits the five constructs listed.

It seems to me that there will be many opportunities for our leaders with social issues, health concerns (dare I mention Covid-19+), and unforeseen natural disasters to show our collective and individual generosity. The new year has started and "March-ing" forward at a rapid pace. Let us keep our focus, always Caring, and always Sharing.

Remember God loves you and so do I.

Blessings,

Rev. Mike

VICE-PRESIDENT'S REPORTS

SOUTH DISTRICT

PAT MORAN, V.P.

Hello everyone and hope you are all healthy. Spring should be here. I had robins in my yard in late February.

This past year has certainly been difficult for Lodges in the South District as well as the entire state. The pandemic forced some Lodges down here to follow strict city regulations and capacity limits have certainly caused financial hardships. But despite all this Lodges have continued to do amazing things in their communities. The use of national and state grants have made huge impacts on individual lives. Food pantries were filled, needy children were provided with winter clothing and disabled people as well as our veterans were helped out in so many ways. Plans are in place at many Lodges for new fundraisers to continue to help individuals. Well done!

A welcome and congratulations to all new officers in the South District are in order. Your input and work forms the future of your Lodge. Good luck to all. To outgoing ER's – have you given any thoughts about your future at your Lodge or possibly the state level?

Finally, this is my last article as the South District VP. After three consecutive terms it's time for someone else to take this position. It has been an honor and privilege to serve as VP. Pam and I have enjoyed visiting the Lodges down here as well as others in the state. We got to know some of you a lot better and made new friends we will never forget. It was an experience I'll always remember. I thank you all for the support and advice you have given me during the past three years. Be proud of the work you have done in the past and make plans to continue to help the less fortunate in our communities.

Thanks again for three great years. Pam and I look forward to seeing you all soon.

NORTHWEST DISTRICT

GREG MAZUR, V.P.

It's been so very heartening to see the Northwestern District participation in the virtual ER Marches. Thank you all so much for your generous donations to our State Major Project and Wisconsin Benevolent Fund! A shout out absolutely needs to be made to our State President Jerry Brien for encouraging all of our Lodges to participate with Facebook to make our actions visible. Pictures speak a thousand words in that respect.

Northwestern District Lodges continue to open up our Lodges to events, while making sure to encourage proper cleansing and social distancing for the health and well-being of all our members. Although we treasure the mystic roll call of those who will come no more, we all know that we're all better off keeping our living members as safe as possible!

Congratulations to our Lodges that have kept our Memorial Service intact and purposeful. Thank you to all who have sustained our veterans through these difficult times – Rice Lake brought in Patrick Testin to speak at the Heroes Café, Eau Claire for very generously sponsoring Sofas for Service (household furnishings to veterans in need), and Chippewa Falls for partnering with Rump's Butcher Shoppe to supply above-and-beyond nourishment for our homeless (VHRP) veterans.

The fish fry's and steak feeds served by our Lodges (especially Marshfield) bring us back to our Elks families, and remind us to do all we can safely do to re-establish Brotherly Love. Let's use whatever momentum we can muster to encourage our current members and show our prospective members how Elksdom enhances our everyday lives.

FIRST LADY'S MESSAGE

Happy Spring, Everyone!

It is a year since this pandemic changed our lives and how we do our Elk work. We have all learned to communicate in new ways. This Convention will be a new experience, but I am sure we are all up to the task. It is important that we meet to approve the Budget and to especially vote for new officers.

It is a great honor that Jerry and I will be allowed to be your State President and First Lady a second year. We tried to meet some of you in your Lodges this past year and look forward to actually having State President's Night in Lodges this coming year.

Please continue to apply for grants and help your communities. Stay safe. We'll see you soon.

Fraternally,

Kathy

Hat in the Ring For

President-Elect of the Wisconsin Elks Association

I hope that you and your families have remained healthy and safe during this unforgettable and challenging year.

Our Lodges were closed down due to Covid-19, Lodge meetings were conducted virtually, new officers were installed virtually, state association convention and conferences were cancelled. Our Lodges have all suffered financially and we all wear masks to protect ourselves from the virus.

I threw my Hat in the Ring for President-Elect of the WEA at the Grand Lodge Convention in San Antonio in 2018. 2018-2019 and 2019-2020 years were filled with traveling to all of our great Wisconsin Elks Lodges for the WEA State President Lodge Visits, meeting your officers and members and marveled at the charitable work Lodges do for local communities. Kathy and I have developed great Elks friendships during these two years.

Then in 2020 Covid-19 restrictions stopped all Lodge visits and postponed the election. This stopped the momentum of the campaign; however, it did not stop my desire to be your next President-Elect of the Wisconsin Elks Association

I joined the Elks because of my passion for the charitable work that we as Elks do in our communities and state. Promoting our charitable work and instilling our Members with the Great Heart of Elksdom is the foundation of my campaign as I seek your support for President-Elect of the WEA.

Karl Hanke for State President Elect

"Elkdom Is not found in a statue book, Friday night fish fry, or in a members checkbook. But rather the spirit of Elkdom is born and lives within our hearts.

Believe me when I tell you I have enough Elkdom in my heart to share with all Wisconsin Elks."

I promise to do everything I can to help all lodges increase membership and to motivate current members to be more active.

HAT IN THE RING FOR VICE-PRESIDENT CENTRAL

Jim Francisco has been a lifelong resident of Baraboo, aside from the years he spent at Oshkosh earning his college degree. Jim and his wife, Pat, raised two sons in Baraboo and Jim spent his career in purchasing and logistics. He was initiated into the Baraboo Elks Lodge #688 on October 23, 1982.

Shortly before Jim retired, he lost his wife, Pat, to a long-lived illness. Upon retirement, he decided to rekindle his interest and activity in the Lodge and in his community. He also became active in Baraboo as a Commissioner for the Parks and Recreation Commission and has served as Vice-President there for several years. That position has been helpful in recognizing the needs present in our community as our Lodge seeks to promote and assist with the needs of those we serve. In 2018, Jim married his current wife, Kathy. She was recently elected to serve her fourth year as Secretary of the Baraboo Elks Lodge.

Jim served as Esquire, Lecturing Knight, Leading Knight and, finally, Exalted Ruler in 2019-20. It was an extremely busy and productive year as the Lodge moved out of the Ringling Mansion into its present location in downtown Baraboo. In the same year, the Lodge maintained a balanced budget for the first time in many years. Jim was presented a commendation for Outstanding Service that year from Jim Meyer, who served as Special Deputy in our District and was Grand Lecturing Knight to the Grand Exalted Ruler in 2019-20. Through attendance at many WEA State Conventions, and at the National Convention in St. Louis in 2019, Jim has made many new friends in the Elks organization. He seeks to serve as Vice-President in his district as a way to learn even more from fellow Lodges and their members and share what he has learned with them along the way. He would consider the position both a privilege and an opportunity to attain many more friends who are dedicated to the mission of the Elks.

ENDORSEMENT FOR ANDY OLANDER

The members, officers and Past Exalted Rulers of Marshfield Elks Lodge #665, endorses Andy Olander, PER, PDDGER as a candidate for State Trustee at Large of the Wisconsin Elks Association. Since becoming an Elk, Andy has been active in numerous leadership roles at the local and state level. Most recently, Andy serves as the State Scholarship Committee Chairman, Marshfield Lodge Grand Coordinator and State Trustee-At-Large.

Andy is an active and dedicated Elk, whose many efforts have affected countless students and Elks throughout the state of Wisconsin. In our Lodge, if you need someone to step up and pitch in, Andy will always be one of the first to volunteer. He is always willing to help mentor a new officer, welcome a new member and acknowledge all members of our Lodge.

It is with great pride the officers and members of Marshfield Lodge #665 give our support to Andy Olander for the office of State Trustee-At-Large of the Wisconsin Elks Association.

ENDORSEMENT FOR DAVID DeROSIER

The PER Association of Milwaukee Elks Lodge #46; endorses and supports Dave DeRosier for the position of WEA State Trustee for the South District for the upcoming term. Dave's loyalty to the Elks and commitment to our lodge and the state over the years has been outstanding.

His past experience as a two time ER, PSP and State Trustee serving as Chairman of the Board of Directors will be very valuable to the WEA in the upcoming term. We ask for your consideration in your vote for this position for Dave. Thanks for your consideration and support of him in this endeavor.
