BY-LAWS OF THE WISCONSIN ELKS ASSOCIATION

Readopted, restated, and ratified at the Business Session At the Annual State Convention held in Appleton – May 2019

PREAMBLE

This Association of the Benevolent and Protective Order of Elks Lodges of the State of Wisconsin is formed to unite all Wisconsin Elks in closer bonds of fraternity; to further the good fellowship among Wisconsin Lodges; to protect and promote the interests of this Order in the State of Wisconsin; to exchange ideas beneficial to the Lodges of this State, and to bear true allegiance to the Constitution and Laws of the Benevolent and Protective Order of Elks of the United States of America and the Constitution and Laws of the United States and the State of Wisconsin.

ARTICLE I

Section 1. This Association shall be known as the Wisconsin Elks Association.

ARTICLE II

Membership

Section 1. Every Lodge in the State of Wisconsin shall be eligible to membership upon compliance with the provisions of the By-Laws hereinafter expressed.

Section 2. Each member Lodge shall be entitled to representation at all meetings of the Association, whether regular or special, by its Exalted Ruler who shall be considered as entitled to the privileges of delegates to the meetings of this Association. It shall also be entitled to one additional delegate for each fifty (50) members or major fraction thereof, as shown by its last report to the Grand Lodge, provided that each subordinate Lodge shall be entitled to at least five (5) delegates in addition to its Exalted Ruler and those provided for in Section 3 of this article.

Delegates authorized under this Section, with the exception of Exalted Rulers, shall present to the Committee on Credentials and Elections, on a form authorized by the Board of Directors, credentials signed by the Exalted Ruler and Secretary of their Lodge, and their membership card, before such Committee issues a voting certificate as provided under the duties of the Committee in Section 3, Article VI.

Section 3. All officers and all members of standing committees of this Association, during their tenure of office, and all Past Presidents of this Association, and all Grand Lodge officers and members of Grand Lodge committees affiliated with member Lodges shall be considered as, and entitled to the privileges of, delegates to the meetings of this Association with the right to vote in the Convention in addition to the delegates heretofore provided for in Section 2 hereof. In no event shall a member be entitled to cast more than one vote, regardless of the number of offices he/she represents.

Exalted Rulers and delegates authorized under this Section shall not be required to present to the Committee on Credentials and Elections any credentials other than their membership card.

Section 4. All Past Exalted Rulers of member Lodges who do not come within the above classifications, and all alternate delegates not serving in the place of delegates, shall be entitled to all the privileges

of delegates except the right to vote.

Section 5. Each Delegate shall be entitled to participate in and vote on all matters coming before the meetings of the Association.

Section 6. Only delegates in attendance at the Business Session of the Convention shall be entitled a vote. There shall be no voting by proxy.

Section 7. The delegates and alternates shall be elected at the regular meeting of each Lodge at least thirty (30) days before the Convention of the Association, or the Lodge may authorize the Exalted Ruler to appoint the Delegates and alternates and report the appointments as such meeting. The law of the Order governing eligibility for office in a subordinate Lodge shall govern in the election or the appointment of delegates and alternates. In the event that a delegate is incapacitated or is otherwise unable to attend the Convention, an alternate from the same Lodge may serve as a delegate for said Lodge.

Section 8. To obtain the revenue necessary for defraying the expenses of the Association, each Lodge shall contribute annually the sum of $6.00 for each member in good standing according to its last report to the Grand Lodge. Dues shall be assessed on March 31 of each year and will be payable on or before April 10 of the same year. No Lodge shall be eligible to membership or entitled to representation unless its current dues have been paid to the Association.

Section 9. All Lodges shall be required, through their Secretaries, to furnish whatever statistical data that may be requested by the Secretary of the Association.

DUTIES AND/OR REQUIREMENTS OF STATE COMMITTEE MEMBERS

1. To attend the State Association annual convention and its two conferences-fall and midwinter.
2. To register at the conference or convention upon arrival at the conference or convention site, but prior to attending the committee meeting(s) on Saturday morning. Unregistered attendees are considered absent.
3. To attend meeting or meetings of the committee of which you are a member. (Most of these meetings are held on Saturday morning [with the exception of the Elks Major Project Board of Directors].)
4. To attend the general session of the Association at conferences on Sunday morning and at the annual convention on Saturday afternoon and on Sunday morning.
5. To take back to the lodges all the information obtained at the committee meetings and to take charge of carrying out the program of the committee during the entire year. As several committees do not have one member from each lodge represented, it is the responsibility of the committeeman to assure that each lodge's local committeeman receives the program of his committee and that it be carried out on the local lodge level.
6. If for any reason a committeeman cannot attend either a conference of convention, it is his duty to so inform the chairman of the Credentials and Elections Committee and chairman of his committee IN WRITING, prior to the convention or conference dates if possible. It is preferred that a substitute brother be sent to the committee meetings if and when possible. The substitute is usually chosen by the committeeman himself, however, it requires the approval of the Exalted Ruler of the committeeman's lodge-especially if and when the local lodge reimburses the committeeman for any expenses incurred.
7. Not excused absence from more than one conference or convention in anyone year automatically requires removal of that committeeman from any state committee.

DUTIES AND/OR REQUIREMENTS OF STATE COMMITTEE CHAIRMEN

1. To see that the program of the committee is carried out according to the Bylaws.
2. To take charge of the committee meeting at the conference and/or convention and to disseminate to the committee members all the information required to carry out the committee's program.
3. To prepare an agenda for the committee meeting so as to assure smooth running of the meeting. To prepare such material as may be needed to bring all the information back to the local lodges to enable them to carry out the program of the committee during the entire year.
4. On committees where there is not one member from each lodge, it is the duty of the chairman to assign a committeeman to each lodge not represented so that he can get in contact with the local lodge committee chairman so that the program of the committee can be carried on in each lodge.
5. To attend all three conferences and convention meetings.
6. To register prior to any committee meetings.
7. To take attendance at the committee meetings and to mark excused or not excused any committeeman not present.
8. To report at the general session on the program and progress of the committee.
9. To carry out any request pertaining to the committee by the State President.
10. To keep in touch with the members of his committee during the entire year and to disseminate, or mail, any literature or information which may be required to properly carry out the program of the committee.
11. To contact the State President in case the chairman cannot attend a conference or convention in due time so as to enable the President to put someone else in charge of the particular meeting.
12. To submit a budget request for his committee in writing to the chairman of the Board of Trustees by March 1 st of the current year. The Trustees & B.O.D. meet on Friday before the convention and must have each committee's request before that meeting in order to prepare the Association's budget.
